## CLOSE RESULTS AT BRIGHTON

Ideal Weather Prevails and the Racing is of a High Order.

DAUGHTER OF LYNNE BEL A WINNE

Carrie Bel Gets the Finishing Heat After a Hard Struggle Among the Three-Year-Olds-Summaries.

NEW YORK, Aug. 17 .- Ideal weather prevailed at Brighton Beach today and, although the crowd was small in comparison with that of yesterday, still there was a fair attendance and the racing was of a high order. The best race of the afternoon was that of 3-year-olds and it proved the best contested and fastest of its class this season. In the first heat at the finish the leaders were only heads spart and in the second heat the clip was such a fast one that three fell by the wayside, including the winner of the first. Bach of the other heats was equally interesting and in the fourth the finish was so close that the judges hesitated for a long time before deciding it in favor of Carrie Bel. The daughter of Lynne Bel got the finishing heat, but only after a hard struggle with Rowell.

The great betting race was the 2:08 pace and in the early pools Dan Patch brought \$1,300 to the same amount on the rest of the field and one of \$900 on the same terms was recorded. There were seven starters and it was very evident that Dan Patch was not driven to win in the first heat, as he finished well back in fourth position. It was quite different in the second, for he was sent from the start and negotiated the first quarter in 301/2. made the half in 1:01 and finished his mile in 3:04%, after which the race was post-

poned. Summaries: Tretting, 2:18 class, purse \$1,500:
